## From the Board Chair

In 2005-2006, the Arts Council enjoyed many successes. The Raiders of the Lost Art fundraiser was a unique and outstanding event. Somehow, the Executive Director and the Arts Council's incredible staff and Board found time to launch another tradition with Market Square Days putting the positive spotlight once again on downtown Fayetteville.

And our other award winning International Folk Festival and A Dickens Holiday, Fourth Fridays, Artists in Schools and Grants programs all met with tremendous success due to the outstanding work of the Executive Director, the staff and the hardworking Board of Trustees.

On behalf of the Arts Council of Fayetteville, Cumberland County, I'd like to thank the public for supporting the arts and our members and volunteers who help make these wonderful things happen.
