

Mini Grants

Who May Apply?

The applicant can be a non-profit organization or municipality operating in Cumberland County presenting a cultural arts activity. A group of artists or an individual artist may apply for a mini-grant as long as the applicant is based in Cumberland County and the funded project will occur in Cumberland County. Organizations who are ineligible to receive funding in other Arts Council grant categories due to unfulfilled grant requirements may not apply.

You may only apply for one (1) grant in 12-month period.

What Projects are eligible?

Mini Grants fund projects in all cultural art forms that will be completed in a six (6) month period. Projects that the Arts Council's Project Support Grants Panel has reviewed twice and not funded are not eligible for Mini Grants.

Fundraisers for non-arts and cultural nonprofits are not eligible for mini grants.

What May I Ask For?

A mini Grant will be no more than \$1,250. Grants may also be submitted for space usage in the Arts Center. The Arts Center contains multi-use spaces for meetings, receptions, workshops, rehearsals, exhibitions and performances. As part of your Mini Grant request you may ask for the use of these spaces for limited time for a particular project.

Is this a matching grant?

No, there is no requirement for the applicant to provide matching funds.

What is the Evaluation Criteria?

Applications are evaluated on:

- Quality of art or cultural arts experience.
- Feasibility of project - including the budget, potential community impact, and the need for support.
- Grants of space use are also dependent on scheduling restrictions.

What is the Deadline for Application?

A Mini Grant application may be submitted anytime, however applications will only be reviewed on a quarterly basis (July, October, January and April). Grant applicants may be asked to present in person to the Mini-Grant Committee which will meet quarterly.

Can I Get Assistance in Preparing my Proposal?

If you have any questions about the application or your proposal please contact Margo Jarvis, Grants Manager at 910-323-1776 or margoj@theartscouncil.com

How do I Apply for a Mini Grant?

Fill out the Mini Grant Application form and submit the signed original and support materials to:

Nancy Silver, General Manager
nancys@theartscouncil.com

Applications not received by the 1st of July, October, January and April will be referred to the next Mini Grant Committee meeting.

Reporting Requirements

Final reports with supporting material and required documentation for a full accounting of the funded project must be submitted no later than the final report date indicated in the contract. As part of this report, the grantee must submit copies of the project's publicity giving recognition to the Arts Council of Fayetteville/Cumberland County.

Grantees will also be required to present in-person to the Mini-Grant Committee upon completion of the project.

A late or incomplete final report is a violation of the grant contract. A report is late when it is received after the "report due" date shown on the grant contract.

Changes

Inform the Arts Council immediately any grant monies which are not going to be used so that they can be regranted.

Written requests must be submitted to propose a material change in the budget, dates or scope of the project which deviates from the content of the original application.

No such change can be made without the advance written approval of the Arts Council (e.g., a second project cannot simply be

substituted by the grantee if the approved project is unable to be executed).

Do not use these grant funds to match any other grant from the Arts Council of Fayetteville/Cumberland County.

Violations are taken into consideration when an organization applies for future grants. Funding may be denied based on reporting practices.

How will I receive my grant funds?

Grant funds will be distributed in one of three ways:

1-The Arts Council will pay invoices related to the project.

2-The Arts Council will reimburse grantee for expenses.

3- Prior grant recipients who have successfully completed previous grants may request to be paid 80% upon execution of contract and the final 20% upon receipt and acceptance of the final report.

Accounting Procedures

Anytime the Arts Council deems it necessary or appropriate, an internal audit may be made of the grantee's books or records to assure the accuracy and the liability of the financial condition of the grantee.

Grantees must maintain grant records for three years from the date of the submission of the final report or from the date, in the case of an audit, when audit findings and recommendations are resolved, whichever is later.

Applicant Organization, Municipality or Artist
